Four Soldiers of 29th Infantry Said to Have Committed Assault.

Four soldiers of the Twenty-ninth infantry are charged with assault on a young girl at Fort Collins, according to a report from Cheyenne. When the troops passed through Fort Collins on their overland march from Pueblo to Fort Russell the men are said to have lured the young girl to a lonely spot where they knocked her down, rendering her unconscious and criminally assaulted her. Officers from Fort Collins are now trying to find the men at the Crow Creek manoeuver camp and apprehend them. Peeling at Fort Collins is running high over the matter.
